

Baileys Great Escape Baileys Great Escape is a heartwarming short story about one of the smallest puppies with the biggest hearts. Bailey is determined to free his friends and family from the horrible puppy mill that they've been forced to live in. This touching tale of a neglected dog shares his experiences in his own voice, taking readers from his days of neglect, to the shelter, to a home filled with love. Follow him on this extraordinary journey and fall in love with a new hero. Bailey shows that it's not the size of the dog in the fight, but it's about the size of the fight in the dog! Enjoy!
