

The Schofield & Sims Revision Guides help children to revise for national tests by guiding them through what they have learned on a topic-by-topic basis. An easy-to-read Curriculum chart displays the links between the topics covered and the National Curriculum for science, and a glossary defines key words related to the subject. The books are designed for children to use independently, recapping key areas of the curriculum with explanations, colour illustrations, summaries of key points and Test yourself! questions to check understanding. Helpful tips for tests ensure that children perform to the best of their ability in the tests. The KS2 Science Revision Guide includes: life processes and living things, materials and their properties, physical processes, scientific enquiry and answers to the Test yourself! questions.

Acting: The Basics, Dont Go Past the Kapok Tree, Religions of Primitive Peoples: 1896-1897 (Classic Reprint), The collection of Mary Frick Jacobs,, The French and Indian War in North Carolina:: The Spreading Flames of War (Military),
