

This isn't Science Fiction or Fantasy" though there are some fantasy-type elements from time to time. This is a story about people who happen to be lesbians with the occasional gay man thrown into the mix. It is meant to be a running series and currently has about a five-year story arc; however, each episode will conclude something. This isn't written for kids or homophobes. It's all about gay people and what affects gay people and how the characters live their lives. It is filled with erotic content and at times really sexually-explicit scenes. It is the first time I have ever done this in my work, and The House is probably the only place I will write erotica and use my own name. It's meant to be entertaining and is geared primarily towards a gay audience; however, I think straight people might enjoy it because we all face it we all have basically the same problems in life.
